

Organic Shorthorn Beef at Field Farm - price list

Traditional pedigree beef from grass finished cattle. The Beef Shorthorn is the oldest registered breed in the UK and provides tender beef that is well marbled with fat which makes it more succulent when cooking.

Beef Shorthorn steak was voted 2nd of all native breeds in the *Country Life's* beef tasting session – February 09 edition.

Beef can be collected from the farm or delivered by arrangement.

- Joints are roughly 2kg to 4kg
- All beef joints are vacuum packed
- Steaks range in size from roughly 8oz to 12oz
- Fresh beef is available to pre-order for delivery from 30th June onwards – please order now in advance
- Otherwise frozen beef is normally available
